MESSAGE FROM THE S.A.S.

To have a good crop each year you need to start off with a rich field that has been worked, turned and nourished so the seeds can take root and grow into a flourishing crop blessed by Mother Nature. The SAS organization works in a similar way. We start planning for the next year's fair before the current one starts and committees meet throughout the year setting in place all that is needed to run a successful spring agricultural fair this too with the blessing of Mother Nature.

Great committees, passionate dedicated volunteers, strong youth participation and incredible support from our community are the seeds of our organization that allow the Schomberg Agricultural Society to grow and represent us in our 163rd Spring Agricultural Fair. Our organization has many generations of families that have dedicated their time, their hearts and passion to this organization making it the success it is today. Fair time brings families together as one to enjoy something that has been part of their lives for many years. These families are our roots and help us Promote Agriculture in everything they do and say.

Each year at the fair you see youth participating, and volunteering their time because they want to. On the fair weekend these kids join us with enthusiasm and spunk. In 2012 we resurrected our Agri-Kids Program. We wanted to let our youth know that we understand that they are the roots of our organization as we once were. The youth meet several times before the fair and organize a float for the parade. We did not need to give them something special to do during the fair as all these kids were already active in many other committees. If you have kids that want to become involved with the fair or have considered joining this group please call Cathy our Manager at (905) 939-8283 and she will connect them to the group leader.

This year's theme is Promoting Agriculture from the Ground Up. Promoting agriculture is the main mandate of the SAS. In all we do we strive to reinforce agriculture, from our Agricultural Spring Fair, to the Farmer's Market, the Community Bonfire, and Our Farm Tour. Agriculture is front and centre in all we do. Promoting Agriculture from ground up in turns promotes our Community, our people and celebrates the great community we live in.

Thank you to all that have kept your passion and dedication over the years to the vision of the Agricultural Society. This drive in each of us has made our Organization the success we are today.

~The Schomberg Agriculture Board of Directors

MESSAGE FROM THE MAYOR

On behalf of Council, welcome to the 163rd Annual Schomberg Agricultural Spring Fair. The Schomberg Fair is rich in history and tradition and has long since been a weekend that is eagerly anticipated. Whether you like home crafts and baking exhibits, livestock, antiques, talent shows, the Demolition Derby or the Midway, there is something for everyone.

The Fair has an outstanding reputation and its success is due to the large number of visitors and the tireless dedication off the endless numbers of volunteers and organizers that give their time throughout the year. None of this would be possible without them. It gives me great pleasure to recognize and thank them for all their hard work and for making this Community Fair so special. I wish the Fair great success and look forward to seeing you there!

~ Kind Regards, Mayor Steve Pelligrini - Township of King

SAT and SUN On the STAGE

SATURDAY -2PM & SUNDAY -1:30/3:30PM

MESSAGE FROM THE 2012 AMBASSADOR

I would like to take this opportunity to say thank you. I would like to thank my community for their support, but I would like to give special thanks to the Schomberg Agricultural Fair Board and the Schomberg Lions Club. I would like to thank them for their ongoing support and encouragement. The Schomberg Agricultural Fair Board made all of this possible; they have provided me along with many others this incredible opportunity. Every year they put an incredible amount of team work, effort, sweat and work into putting on an incredible fair that has been a family tradition for generations. The fair board has taken me in and made me feel a part of their team, and more importantly made me feel like family. Thank you for your hard work and your welcoming spirit.

Without the Lions Club of Schomberg, I would not have been given this opportunity; through their help and support all of this was possible for me. The Lion's Club has always been a big part of my life. Remembering attending pancake breakfast since I was little and occasionally helping with can crushing to raise money. But most importantly, the Christmas dinner was always the highlight of the year. Thank you for sponsoring me and supporting me throughout the years.

There is someone else that I would like to give special thanks to, I would like to thank Cyndy Rowland. I would like to take a quick moment to thank her for her guidance, generosity, help and kindness. She has been by my side since the beginning, putting up with me and my ongoing questions throughout the summer. She has guided and taught me self-value, leadership and confidence, without her this program would not be what it is.

Through the Schomberg Fair Ambassador program I have noticed tremendous growth in myself especially in my sense of confidence and leadership skills. This program is designed to teach young people self-value and confidence, helping us find a sense of identity and character. It is a program that I highly recommend every young person to participate in.

- Chantelle Oostwoud - 2012 / 2013 Fair Ambassador

IF YOU ARE INTERESTED IN COMPETING, OR WOULD LIKE TO NOMINATE SOMEONE:

Competitors are involved with the fair all weekend, introduced to fairgoers on Saturday, and on Sunday the competition concludes with a winner being announced.
