MESSAGE FROM THE S.A.S.

Welcome to our 164th Agricultural Spring Fair. I have been a member of the Schomberg Agricultural Society for 36 years and have not missed a Fair since becoming a member. I was also president in 2000 - 2001 and am very proud to be the first returning president in our 164 year history. This year will be the beginning of noticeable changes to our Fair.

In 2015, we will no longer have the use of the Schomberg Agricultural Arena as it is to be sold. As you may well understand, it is with great sadness that we leave a place that has been such a huge part of our heritage. Our Society was instrumental in the funding and building of this facility, as were others in our town.

This will be the last year that the "Old Arena" will be home to our Homecraft Division.

Homecraft is a huge part of our Society. It encompasses all that is Agricultural and Agriculturally Historical. It allows us to recognize children and their school work, the art of quilting, traditional baking, horticulture at its best, antiques and much, much more. It also showcases activities from the past and present that are representative of both historical and modern way of life.

Please visit the ARENA for what promises to be one of the best displays ever as we say "GOODBYE" to a part of our HERITAGE !

We will continue to present our Fair with our Homecraft intact however, with a new look!

We have volunteers and committees investigating, brainstorming and planning for our future, as only our membership can do!

All this to bring you an exciting and informative exhibition jam packed with ground entertainment, livestock shows, stage entertainment and Worlds Finest Shows presenting our Midway rides and games for young and old.

It goes without saying, if you are involved with "The Schomberg Agricultural Society", you are involved with "Your Society". I applaud our Members, Sponsors, Directors and Executive for their dedication to the Society and our Goals and Commitments.

Our theme this year is "From the Tractor Seat". Suggested by a local farmer, very fitting as most things agricultural begin there.

I am very proud to be associated with The Schomberg Agricultural Society and its membership.

Thanks for allowing me to Ride the Ride!! Come join us at the Fair and help us keep "The Big Wheel Turning!!"

You won't be disappointed!!

Ron Hepburn
S.A.S. President

MESSAGE FROM THE MAYOR

On behalf of Council, welcome to the 164th Annual Schomberg Agricultural Spring Fair.

The Schomberg Fair is the heart and soul of Schomberg! From Antiques, baking exhibits, Homecraft, horse & cattle exhibits, livestock, talent shows, the Demolition Derby or the Midway, the Fair showcases everything that a country fair should! It exemplifies "hometown pride and goodness" and is a great way to experience and support the agricultural community.

A big thank you to the Schomberg Agricultural Society and all the volunteers for their tireless efforts in making the Fair a huge success. This event brings people together as one to celebrate traditions that have been part of KING for many years.

I wish the Fair great success and look forward to seeing you there!

Kind Regards,

Mayor Steve Pellegrini

MESSAGE FROM THE AMBASSADOR

Welcome to the 164th Schomberg Spring Fair! My name is Morgan Baker and I am your 2013/2014 Schomberg Fair Ambassador. I am honoured to have represented you over the past year. It has been an incredible experience and I look forward to representing you this year at the CNE! I have grown up on a farm just outside of Schomberg. Every year as long as I can remember I have attended the Schomberg fair and for many years I have shown dairy cattle, along with miniature horses. Over the past year I have attended parades, other fairs, judged local competitions, attended the farmer's market and met many interesting people. My job is to represent Schomberg, the Schomberg Fair and to promote agriculture. Thanks to this community you have all made it quite easy for me, there are only positive things to say.

I would just like take this time to take the Schomberg Agricultural society, the directors of the fair and the many volunteers and members; thanks to all of you we have a successful fair every year. All of you have given me this amazing opportunity that I have learned so much from and have helped me become more confident public speaker. I would also like to thank the Schomberg Feed Mill who sponsored me and supported me right from the beginning. I would similarly like to give a big thank you to Cyndy Rowlands who took on the challenge of running and organizing the ambassador program. She took a cowboy boot wearing country girl and turned her into a confident, proud, ambassador (but I still wear my cowboy boots). I couldn't have asked for a better person to help me through this. She always has a smile, answers any questions I have, is organized and puts 110% in all the time. Lastly I want to thank my family, who filled the stands when I was crowned fair ambassador and who will I'm sure fill the bus when I go to the CNE in August. They have always been there and supported everything I am involved in.

I would highly recommend the ambassador program. It teaches you many life skills and makes you a more confident speaker. Again I am honoured to have represented you and I look forward to representing you at the CNE! I hope you all enjoy the Schomberg Spring fair!

- Morgan Baker - 2013 / 2014 Fair Ambassador
